FROM THE COUNSELOR ...

Greetings from the Office,

The calendar tells us Spring 2017 is here and although we have experienced a few nice days the nights require a jacket for you and your flowers. I have a very good reason for not putting flowers out until I am sure they do NOT need a jacket or cover at night.

Things are progressing like normal here at Rienzi. The grounds are starting to take shape in preparation for our Memorial Day

event and a beautiful, peaceful summer at Rienzi.

The winter was mild for people but that isn't always the best around here. If we are busy here it is a two edged sword. Fortunately we have business but unfortunately someone lost a loved one. It has been a very slow first quarter but that wasn't all bad as everywhere we did have to drive and dig was a real and I mean REAL mess. (Because of the mild winter). Norm

has the majority of those areas cleaned up now so that is history and we are looking forward to summer.

As always, if there is anything I can do for you don't be afraid to call.

I hope to see many of you on the grounds, if not on Memorial Day, sometime this summer/fall

Remember to Thank our Veterans!

Until next time ...

Rae Nell

MEMORIAL DAY EVENT

The public is invited to a "Reading of the Veteran's Roll" on Monday, May 29, 2017 at 2 p.m. at Rienzi Cemetery.

The event will be held on the front steps of Rienzi's historic Memorial Home and will begin with a welcome from Chaplain Douglas Hedman.

Chaplain Hedman serves full-time with the Army National guard and works out of Madison.

Immediately following the welcome, volunteers will alternate reading the names of all known veterans buried at Rienzi Cemetery. Upon completion of the reading of the roll the Trier-Puddy Post 75 American Legion will fire a three volley of shots honoring the deceased veterans.

Water and treats will be available in the Memorial Home. It is very informal. We ask that attendees bring their lawn chairs and blankets and enjoy the afternoon at Rienzi. We are looking for volunteers to read portions of the list. If you are interested in helping, call the Rienzi office at 922-4543.

Welcome eDocs . . . Last Fall we took the plunge and decided to actually allow an outside person to take our precious burial records out of the building to transfer them to digital form (I know it was scary for me too but I only allowed half to be gone at one time)

The job is complete so now when the office has ancestry requests I don't have to file through all of the burial cards to find the requested information. This offers three benefits. It saves a lot of time, the more you file through the burial records the more tattered they get as some of those records have been in those drawers a very, very long time and we were able to convert the file to a pdf and post it on our web site so people can actually look up some information on their own.

I wonder if Nathaniel Tallmadge ever dreamt the names of his family would be documented on a computer at some time ... I am thinking not!

VETERAN'S SECTION & GIFT BRICKS

In Memorium
General
Edward S. Bragg

Our majestic flag display at the entrance to our Veteran's Section continues to honor our military heroes. You may remember the display was done by our grounds superintendent Norm Waldschmidt and Rienzi lot owner George Rapp from Fly Me Flags in Green Bay.

The display makes a beautiful commemoration of not just those veterans in the Veteran's Section but veterans located all over our cemetery.

We continue to offer an opportunity for everyone to be part of this display by purchasing a gift brick. These personalized bricks form a part of the walkway entering the flag display. If you were waiting to see what this will look like before making a purchase; you can now take a look as some bricks are already installed.

There is a purchase flyer attached to this e-mail. The 4X8 bricks are \$100.00 and the 8X8 are \$200.00. They can also be purchased on our web site www.rienzicemetery.com.

Grounds Superintendent's Report

Spring of 2017 is here and with its arrival comes the many tasks of cleaning up from winter. We were able to pick up most of the leaves last year and the winter wasn't too hard so things are moving along nicely. The weather continues to be a bit of a challenge.

Just a reminder ... we offer many services here at Rienzi. Some of the services we offer, for a small fee and are not limited to, raising and leveling monuments, power washing monuments, landscaping and seeding grass upon completion. If you have any questions feel free to call the office at 920-922-4543

We continue to make improvements here at Rienzi and none of them would be possible without your help and understanding. Until next time ... *Norm*
